

Dartmoor  
Multi Academy  
Trust

Lydford Primary School is part of the  
Dartmoor Multi Academy Trust family

27<sup>th</sup> September 2022

Dear families,

The children of Class One will be visiting the site of The Old Station in Lydford on Monday 3<sup>rd</sup> October. They have been looking at scientists and engineers in history and one of these has been George Stephenson who invented the steam locomotive. We will be exploring the remains of the Lydford Railway line. Following this in art, the children have been studying different minibeasts therefore the children will be undertaking detailed studies of the available insects to inform their artwork.

We will be leaving at 11.30am and return to school at 2.30pm. Therefore, children will need a packed lunch and drink in a backpack. Packed lunches can be ordered from school in advance. Please book a sandwich option on School Gateway by 9am on Monday 3<sup>rd</sup> October. They should wear full school uniform and will need a warm waterproof coat and wellies.

There is no cost for this trip as FoLS has kindly covered the cost of the coach. However please give consent for your child to attend via School Gateway. This can be found under the payments section. You will not be charged.

Many thanks for your support,

Mrs Court
