

6th May 2022

Dear Parent/Carer,

To enhance our learning about the Industrial Revolution in Britain the children of Class 2 will be spending the day at Coldharbour Mill, Uffculme on Tuesday 17th May where they will take part in a Materials and Fibres Workshop. The children will have the opportunity to try spinning and weaving and also look at the pre-industrial cottage weaving industry. This is followed by a tour of the mill, which shows the changes that came in with the Industrial Revolution.

We will be leaving promptly after registration at 9am and return to school at 3.15pm (please be considerate to the coach driver when dropping off and picking up so that they can park outside the school). Children will need a packed lunch and drink in a backpack, a waterproof coat and full school uniform.

The cost of the trip per child will be £6.50 as FoLS has kindly covered the cost of the coach.

Please make payment via School Gateway.

Many thanks for your support,

Mrs Dickinson and Mrs Waddington
