April

- 15th – First day back

May

- 6th – Bank Holiday
- 27th – 31st – Half Term

July

- 19th – School Breaks up for
Summer Holidays

Good afternoon,

We have had another busy week here Lydford. This week started with the African drumming workshop for KS2- we were joined by our friends from Milton Abbott and Bridestowe. The workshop was great and it was also a fantastic opportunity for us to get to know some children from the other schools that we will be attending the residential with later in the summer term

This week is Science week – the theme of Time was chosen because it is the 30th Anniversary celebrating Science week. To mark this occasion we have a Science afternoon which consisted of the children working in their teams to try different science based activities based on Time- The most popular activity of the afternoon was writing notes and drawing pictures for a time capsule –these have been buried in Forest School this morning. In our assembly today we have talked about different ways that we can help people less fortunate than ourselves leading on to conversations about why we raise money on Red Nose day. Thank you for all the donations so far for Comic relief – we have seen some fabulous hats this morning.

Have a lovely weekend.

Kind regards,

Mrs Brendon

ATTENDANCE: 97.77%

The children who have shown the strength of each of our values – Nurture, Inspire, Achieve are:-

Nurture

Lidia – for nurturing her love of writing and inspiring her friends to do the same.

Inspire

Jessica – for being inspirational in her approach to her learning and SATS work.

Achieve

Misty – for working hard to achieve success in her maths learning when problem solving.

Lydford Primary School – Nurture, Inspire and Achieve

Our variety Showcase

By now I am sure you will have heard about our variety showcase from your children. WE would like to invite you to watch this on Wednesday 27th March at 2pm. This will be in class 1. The children will be singing together as a school, then invited, if they wish, to perform separately to showcase their musical talent.

PARENT FORUM

The next Parent Forum
is on Thursday 21st
March at 6pm.

ALL WELCOME

Just a reminder to donate please click on the link to donate. [Lydford Primary School is fundraising for Comic Relief \(justgiving.com\)](https://www.justgiving.com/LydfordPrimarySchool)

Times Tables

Rock Stars

Class 2

We hope all children are accessing and enjoying Times Table Rockstars. If you feel you need a bit more guidance on this, please follow this link <https://ttrockstars.com/parents/> which is a guide for parent/carers and has lots of information.

Class 1

Numbots is an engaging maths platform for learning how to add and subtract. Children have access to Numbots at home, logins for this should be in their reading records. Please let me know if don't have this.

Lunches

Just a reminder that school lunches still need to be booked by Thursday at midnight for the following week. If these lunches are not booked by this date then a packed lunch will need to be provided.

Thank you to those children that have been completing their maths homework - it has been great to see and is having a real impact on their learning within the classroom therefore improving outcomes for your children. Thank you for supporting us with this.

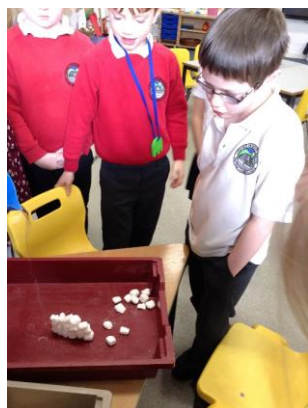

Schoolgateway

Can you check your child/children's account to ensure all payments are up to date and there are no outstanding balances. Thank you.

Lydford Primary School – Nurture, Inspire and Achieve

CLASS ONE:

Friday treat Winner

Lydford Primary School – Nurture, Inspire and Achieve

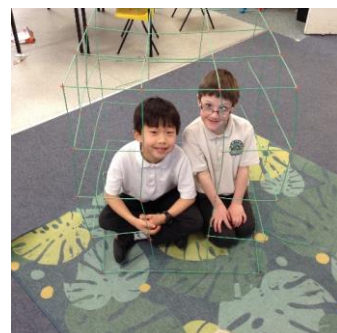

CLASS TWO:

This week the children in Class 2 attended a African drumming workshop – the had a fabulous time.
