

Class 1 HOMEWORK Summer Term 1 - 2023

All children are expected to complete the following each week:

Reading: Children are expected to read 5 x per week with an adult. Parents and carers are required to record the reading by writing in their Reading Records. Please use the questions and prompts at the back of the RWInc book to aide your reading sessions.

Spellings (Children in Pink, Yellow and Grey Group):

New spellings are sent home every Monday, they are stuck into your child's reading records. The children are then quizzed on these words during the following Monday before new spellings are then sent home again. Please support your child when learning these new words.

Maths:

Please continue to use Times Tables Rockstars and Numbots online to further your child's understanding, knowledge and quick recall skills of numbers and times tables facts. Your child's login details can be found on the inside cover of their Reading Record.

SATs Quizzes.

Year 2 children please use the following links to help you revise and prepare for your SATs quizzes. I have included links for lots of fun games too!

[KS1 Maths revision - Arithmetic Practice - BBC Bitesize](#)

[KS1 Maths revision - Reasoning Practice - BBC Bitesize](#)

[KS1 Maths free game - Karate Cats - Primary school times tables, division, shapes, fractions - BBC Bitesize](#)

[KS1 English SATs paper - Grammar, Punctuation, Spelling - Writing Practice - BBC Bitesize](#)

[KS1 English SATs paper - Reading Practice - BBC Bitesize](#)

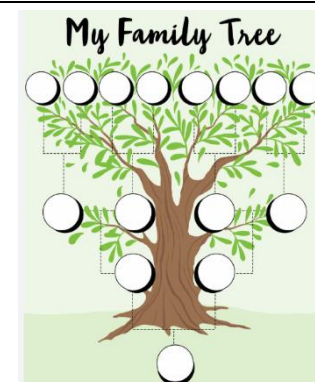

[KS1 English free game - Karate Cats - Spelling, grammar and punctuation - Improve literacy and comprehension - BBC Bitesize](#)

Please bring all homework into school on or before Wednesday 24th May 2023 so that it can be displayed and celebrated during a sharing session on Friday 26th May 2023 to which all parents will be welcome.

Thank you all for the ongoing support with your child's home learning,
Mrs Court

Project 1 - History

For this homework project, I would like you to research and then make your very own family tree. It can 'go back' as far as you would like - maybe you have family members who fought in the war, carried out different yet amazing jobs or who came from a different country. You can choose *how* to present your family tree; don't forget to add names and labels including how these people are related to you!

Project 2 - Science

For this project I would like you to make a habitat for an animal of your choosing. You can use any materials you like as long as they are similar to that which your chosen animal would use to make their home cosy and snug. Don't forget to include labels and key facts within your habitat as well as a model of the actual animal that you have chosen.

Project 3 - Religious Education

As part of this home learning project, I would like you to create a newspaper report all about some good news that you have received. You can include details of the exciting news, how it impacted you and your family and ultimately, what makes it good news. Don't forget to write in a newspaper style format; with a heading, photographs or pictures as well as including key dates and possible interviews or quotes from family members. (I have included a 'how to' guide if needed for guidance).
