

Art

In art we will be learning how to use simple shapes to draw objects and develop observational skills to draw natural and man-made objects.

Science

We are learning about Raw and Synthetic materials.

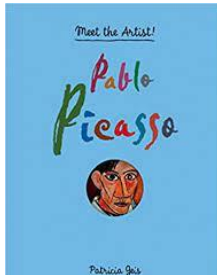

History

We will be learning about the Vikings.

English

We will be developing our ability to write in a variety of styles starting with biographical writing using Pablo Picasso as a starting point.

Class 2 Curriculum Overview

Summer Term 1 2023

Nurture, Inspire, Achieve

Please talk to your child at home about their learning in school and encourage them to do the Home Learning activities that are set. Please ask if you have any queries about any aspect of your child's learning.

Many thanks for your ongoing support,
Mrs Dickinson.

Maths

We are continuing to apply our knowledge of multiplication and division to completing fraction and decimal calculations, then moving on to volume, shape, time and statistics.

Computing

The children will be learning about the internet.

PSHE & RSE through SCARF

Our lessons this term will be all about 'Being my Best'

RE

How do festivals and worship show what matters to a Muslim?

Music

Mrs Joliffe will be returning to teach music and the children will be learning how to play the drums as well as continuing to develop their singing skills.

French

This half term we are continuing with the theme of food and will be talking/writing about what foods the children like to eat.

PE

Mr Pugh will be teaching cricket and athletics.

Mrs Dickinson will be teaching rounders.
