MULTI ACADEMY TRUST

# Nurture, Inspire, Achieve

A small school, learning together in the local community

10<sup>th</sup> July 2020

Dear parents/carers

We were delighted to welcome back some extra pupils this week following the relaxing of social distancing to 1m plus. As a small, rural school, we have such limited places and have had to prioritise for the last couple of weeks of the Summer term. Safety and hygiene controls are all still in place, with regular hand washing and deep cleaning. Overall, the new pupils have slotted in beautifully and it has been refreshing to watch friendships reform and happy faces enjoying their learning in school again!

## Back to School arrangements for September

With the last day of the Summer term on Friday 17<sup>th</sup> July, we are planning ahead for the new academic year. Please be reassured that we are following government guidance at all times in the planning undertaken and are working closely with the Trust Health and Safety team to consider the safest possible ways to ensure ALL pupils are able to return in September. Next week, a letter with more detail will be sent home – please look out for this as it will contain key information.

## **SAFEGUARDING: Gaming: a video guide for parents and carers**

Online gaming can offer many positive experiences. It can give children and young people the chance to escape into a virtual world, to learn, and to connect with others. However, there is a risk of children and young people viewing inappropriate content in games and being contacted by adults seeking to exploit them.

With an increased use of the internet during lock-down, we are seeing an increase in issues arising from online gaming. Cyberbullying is bullying that takes place online. Unlike bullying in the real world, online bullying can follow the child wherever they go, via social networks, gaming and mobile phone. If online gaming occurs outside of school, we can help by discussing this with parents concerned, advising on steps to take as well as educate our pupils further in our internet safety curriculum coverage.

Thinkuknow have also produced a new video guide and accompanying article, developed in collaboration with The Association for UK Interactive Entertainment (Ukie), that helps parents and carers to understand:

- How in-game chat works;
- How it might be abused by others, and;
- What they can do to help keep their children safe whilst using in-game chat

There is some excellent advice also on the NSPCC website: <https://www.nspcc.org.uk/what-is-child-abuse/types-of-abuse/bullying-and-cyberbullying/>

Please do monitor your child's gaming closely; we will do our best to educate them in what is acceptable online. Thank you.

## **Covid-19 updated guidance for parents**

UK Government publish Guidance for parents and carers of children attending out-of-school settings during the coronavirus (COVID-19) outbreak:

These settings provide enriching activities that give children the opportunity to socialise with others outside their household and promote their wellbeing. We also recognise the importance of these settings in providing additional childcare options to parents and carers, particularly those with younger children, who may need to return to or continue to work during the school holidays.

## **Action for Children offer free parenting support**

Every parent needs a little help sometimes, and especially during lockdown. That's where Action for Children can help.

Action for Children, who deliver our children's centre services in Devon, are offering online parenting support for families with children aged 0-19. From where to go for help, to coping with challenging behaviours, to how to keep your children entertained at home, you can find advice and practical help on their website. Have a question about parenting? Action for Children's online coaches are available for free, confidential 1-1 live chat called TALK. Available from Monday to Friday, they're there to listen and support you with all your parenting queries.

Stay safe and have a great weekend!

Kind regards,

Mrs D A Petersen (Acting Head of School)
