Dear families,

We are delighted to announce that Lydford Primary has been awarded the Woodland Trust's Green Tree School Platinum award. This amazing achievement recognises the significant and consistent commitment to outdoor education, forest school, environmentalism and global citizenship. This is the highest award the Woodland Trust offers.

Through a wide range of activities, the children have demonstrated their learning and understanding of how to promote nature and wildlife in our local area. A special mention must go to Mrs Waddington who has led this area of our curriculum and submitted a large portfolio of learning to the Woodland Trust.

Thank you, again, for your continued support for our curriculum and educational priorities.

Mr Hill

Principal
