

Art/DT/Music- DT Focus

We will be exploring healthy eating, linking to our Science work as part of our topic 'Amazing Me!'. We will be trying different breakfast foods and designing and making a healthy and tasty breakfast to share with parents at a Big Breakfast on Thursday 13th February at 9am.

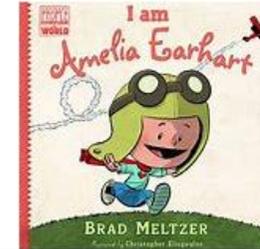

Science

This half term our science is all about us! We will be identifying and naming parts of our bodies and investigating our senses and what our bodies can do. We will be learning about the elements of a healthy lifestyle, including exercise, nutrition and hygiene.

Humanities- History Focus

During this half term we will be studying the lives of the famous aeronauts, Amelia Earhart and Amy Johnston while looking at flight and how it has changed the world.

English

Have you heard of Traction Man? He's a super hero with an outfit for every occasion and a knack for getting into (and out of) trouble.

We will then be looking at some non-fiction writing to tie into our work on Amelia Earhart and Amy Johnston.

Class 1 Curriculum Overview

Spring Term 1 2020

Big Breakfast
13th Feb
9am

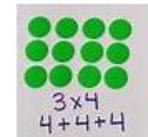

Amazing Me!

Nurture, Inspire, Achieve

Maths

Spring starts with revisiting place value for year 1- this time exploring numbers up to 50. Year 2 will be tackling multiplication and division using manipulatives, images, stories, quick recall of 2, 3, 5 and 10 times tables and written methods. We will also be looking at money before moving on to measuring length and height.

SMSC (Social, Moral, Spiritual and Cultural education)

Our lessons this half term will be all about keeping safe and managing risk in a variety of different circumstances including safety in the home, crossing the road, on the moor and online.

Computing

Now we have our fantastic new Chromebooks up and running, we will be exploring creating our own coding using scratch.

Please talk to your child at home about their learning in school and encourage them to do Home Learning. Do ask if you have any queries about any of your child's learning.

Many thanks for your ongoing support,
Mrs Luxford.

PE

We are very excited about our Tuesday afternoon swimming lessons this term. Those of us who are not yet swimmers will be developing water confidence and working towards taking our first unaided strokes across the pool. Those of us who are already swimming will be improving our technique and challenging ourselves to swim further than before.
