

3rd July 2020

Dear Parents/Carers,

Following recent Government guidance, we are now moving to a 1 metre plus social distancing structure for children from Wednesday 8th July. All other protective and preventative measures will remain in place in relation to hygiene, safety and groups of children. Segregation of break and lunch times will continue to be facilitated in the same manner.

This means that we are able to provide school provision places for a small number of additional children. Those children who are currently on the waiting list will be given priority.

For further information please contact the school office.

Kind regards,

Mrs D A Petersen
Acting Head of School
